Song: Where are you going?

Where are you going? Where are you going? I am going to the grocery store.

Where are you going? Where are you going? I am going to the school.

Where are you going? Where are you going? I am going to the park.

Where are you going? Where are you going? I am going to the hospital.

So many places to go! So many places outside your home.

Where are you going today? What will you do and what will you say?

Where are you going? Where are you going? I am going to the beach.

Where are you going? Where are you going? I am going to the movie theatre.

Where are you going? Where are you going? I am going to the bank.

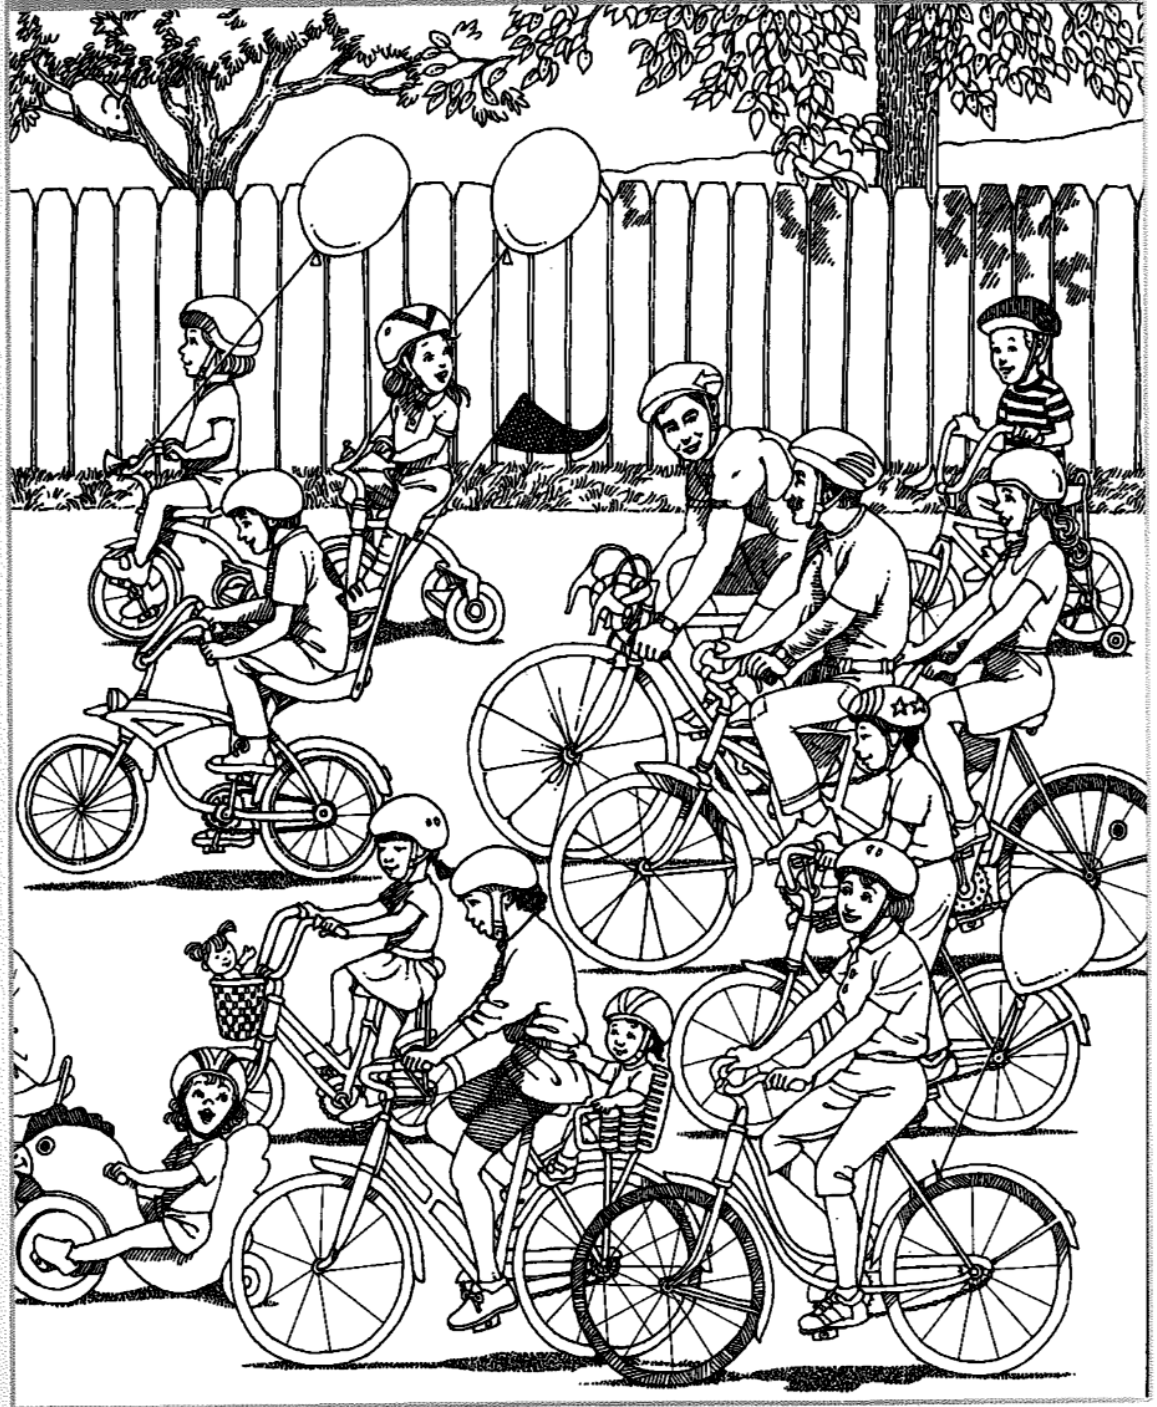

Where are you going? Where are you going? I am going to the stadium.

So many places to go! So many places outside your home.

Where are you going today? What will you do and what will you say?
